

Dear Sisters,

As all of you are aware, our Daughters of Penelope organization is celebrating its 85<sup>th</sup> anniversary this year. In that regard, our Grand President Anna-Helene Grossomanides has requested and encouraged us to prepare a special media presentation on the history of our Daughters to be shown at the upcoming 2015 AHEPA Supreme Convention taking place in San Francisco, CA on July 1-5, 2015.

Those of you who attended the Supreme Convention in San Francisco in 2010 may remember that we produced and presented a video on our DOP history on the occasion of our 80<sup>th</sup> Anniversary. We take this opportunity to thank all those chapters who contributed photos to this 80<sup>th</sup> Anniversary Project. It is now our goal to enhance, update, and expand this original presentation for our 85<sup>th</sup> Anniversary, and we hereby request your assistance as follows.

**A. We will need photos from all chapters who did NOT submit any for our 2010 project. (Please review enclosed list of chapters who did not submit previously)**

**B. Type of photos requested:**

- Group photo of current members
- Group photo of your founding chapter members (if available)
- Photo of one special past event. (Ex: district convention event, service or community project, fundraising event, etc.)

**C. Instructions for submission**

- We prefer that you please scan your photos and email them to Tessie Bourdamis at [tbourdamis@comcast.net](mailto:tbourdamis@comcast.net) or to Jan Tiggas at [jtiggas@usinternet.com](mailto:jtiggas@usinternet.com)  
*or*
- You may send us good quality copies of your photos by regular mail (and/or UPS/Fedex) to Tessie Bourdamis, 4351 Parklawn Avenue G-3, Edina, MN, 55435, tel: 952-831-3529.
- \*NOTE: If you decide to mail us original photos, please be advised that we will not return these to you and they will subsequently be donated to the IHRC (Immigration History Research Center) of the University of MN to be included in our Daughters of Penelope collections stored there.
- Please make sure to identify your chapter name, number, location, brief description of the photo, and chapter contact person (in case we have questions)
- **The deadline for submission is March 1, 2015.**

We greatly appreciate your timely response and support for this special 85<sup>th</sup> Anniversary Project, and look forward to a fun celebration in our Founding City of San Francisco in 2015. Hope to see you all there!

Yours in Theta Pi,

Tessie Bourdamis and Jan Tiggas
